GENERAL NOTES

1. INSTITUTIONS INVOLVED

(a) Unless otherwise specified, all tables/charts refer to provincially assisted Ontario universities and related institutions only. These comprise the following:

Brock	Queen's
Carelton	Ryerson
Dominicain	Toronto
Guelph	Trent
Lakehead	Waterloo
Laurentian	Western
McMaster	Wilfred Laurier
Ontario College of Art	Windsor
Ottawa	York

(b) Included with the above are Church-related and federated/affiliated institutions.

(c) Unless shown separately, Toronto includes the Ontario Institute for Studies in Education (OISE) and Laurentian includes Algoma, Hearst and Nipissing.

2. STUDENT DATA

(a) All students taking part in courses or programs normally credited towards a degree, diploma or certificate are included, regardless of whether the student is actually seeking the qualification or not. Thus, the only students excluded would be those taking part in courses sometimes called 'general interest' or 'non-credit' and not leading to any post-secondary qualification.

(b) Because there is no commonly accepted definition of a part-time student, full-time/part-time registration status is determined independently by each reporting institution.

3. FACULTY DATA

(a) Faculty, for the purpose of this report, includes all academic staff who are teachers, researchers (who have an academic rank and salary scale similar to teaching staff), and/or senior administrative staff, ie, Deans, Chairpersons, Directors, etc. Academic staff in teaching hospitals and visiting academic staff are also included.

(b) Because there is no commonly accepted definition of part-time faculty, full-time/part-time status is determined independently by each university. In general, full-time involves staff whose term of appointment is four months or more.

(c) For purposes of this report; "Lecturer" is the rank below Assistant Professor, "Next Rank" is two ranks below Assistant Professor, and "Other" refers to ungraded academic staff.

4. NON-ACADEMIC STAFF

(a) 1985-86 data are the latest available from the same source.

A. These data comprise all full-time ,first year, fall term applicants who have not been previously registered at an Ontario university.
B. Ryerson and the Ontario College of Art are not included.
C. Each applicant is allowed to indicate up to three choices of universities and programmes. Each choice is considered a distinct application.
D. Registered applicants are those who have registered at a university.
E. Commencing in 1976, the count date for registered applicants is November 1; prior to that time, the count date was late September.
F. The Application Centre employs its own unique set of programme categories which do not necessarily correspond to those of others.
G. Because of differences in definitions (and count dates prior to 1976), the number of registered applicants may not agree with enrolment figures supplied elsewhere.
